520m²

3,511m²

Entering this property of about 3511 m2 of plot in the Sierra, with more than 500 m2 built, listening to the birdsong is a pleasure for the senses. When crossing the entrance plant arch, the aroma of jasmine prepares you for what the view will enjoy: a small entrance hall facing Southeast opens the doors to the dining room and living room with wooden beams on its ceilings and large windo...(Ask for More Details!)
